HONOR A WOMAN WHO BROUGHT YOU LIGHT

In the spirit of Matthew 5:15, WDPIC invites you to honor women and shine the light that they have shared with you by setting it on a lampstand for the world to see. We encourage individuals, local committees, and National Committees to make a donation in the name of a woman who has shone light, whether noticed or unnoticed, small or large.

*Your contribution will
strengthen and enlarge the
Fund for Tomorrow.*

BLESS THE WOMEN WHO WILL CARRY IT ON

This Fund provides opportunities for women of all nationalities and generations to attend the World Day Prayer international meetings. At these quadrennial meetings, women share experiences and responsibilities for the WDP movement, including selecting themes and writer countries.

In 1990, 80 women from 70 countries attended the international meeting. By 2007, with increased support from WDP Committees and this Fund, 200 women from 100 countries attended.

Nevertheless, over 170 countries participate in World Day of Prayer, and we hope all of those countries can be represented at future meetings. We also would like to enable greater numbers of younger women to join in the WDP community, to share their gifts and ideas, and to prepare for leadership roles through these meetings.

To make a donation:

1. CONTACT WDP INTERNATIONAL COMMITTEE

An individual wishing to honor a woman notifies WDPIC of the woman's name and the donation amount. We encourage individuals to send a photo and story as well that we will post on our website annually (www.worlddayofprayer.net/fund.html).

2. CONTACT YOUR WDP NATIONAL COMMITTEE

The individual sends the money to her National Committee, which will verify the name and provide a receipt. The National Committee will send all the donations for this fund together as one payment to WDPIC annually.

Your National Committee:

3. CONFIRMATION

WDPIC confirms with both the individual and the National Committee when the funds are received.
